TWENTY-NINTH YEAR

SNYDER, SULLY COUNTY, TEXAS, FRIDAY, OCTOBER 6, 1916

NUMBER SEVENTEEN

PRES. WILSON TO BE MARRIED

OFFICIAL WASHINGTON STATE-
TWO BY SECRETARY'S AN-
OUNCEMENT.

WEDDING TO BE IN DECEMBER

Bride-to-be is Willow of Washington
Director and Novice for Her
Beauty and Charity

Washington, Oct. 6.—President Wilson announced tonight his engagement to Mrs. Northup H. Galt, of Washington. The date of the wedding has not been fixed, but it will probably be in December at the home of the bride-elect.

The first announcement made through Secretary Tolson, came as a surprise to official Washington, but intimate friends had long expected such a confirmation of a friendship that has ensued through several months.

Mrs. Galt is an expectant friend of Miss Margaret Wilson and of Helen Taft and has been seen in company with the president's daughter more this past summer.

She spent a month at Cornell as the guest of Mrs. Francis Parker.

Mrs. Galt is the widow of a Washington lawyer who died eight years ago. She is thirty-eight years old and was formerly Mrs. Smith Butler of Washington, D. C., known for her beauty.

Her reason for staying in those of the president, it is said, is the close working interest in Measures Adustry, State. Friends say that Mrs. Galt will make an excellent companion for the president.

Mrs. Wilson has been dead a little over a year. The widow will probably have a private affair at the bride's home and out of the crowd.

Deaths Father on Dog Racing.

Master Raymond Williams, of Sibley County, has stated that the son can teach the father "something in agriculture." Young Williams is a member of the local legislature in the county, which work is conducted jointly by the extension service of the A. & M. College and the United States department of Agriculture.

Five months ago he entered the hog raising business, when his father gave him a pig that weighed 45 pounds. His father kept a little note to the pig he gave his son, the father's pig weighing 40 pounds. At the end of five months the piggy pig weighed 240 pounds, while the father's pig only weighed 40 pounds. The 140-lb. hog was in accordance with the directions sent out by the Extension Service. The ration consisted of ground corn, short-horned butter milk and oats, fed no hay or pasture. This is but one of the many instances where neglect of boy's pig, corn, cream and oats have done more harm than anticipated their father's production and success.

Explosion at Armature

A tank car containing 200 gallons of gasoline exploded in the railroad yard at Arkansas, Arkansas, last night. Two men were killed.

Two employees were working on an oil tank when they heard it with a roar, similar to a gun which exploded the gasoline in a small hole and the contents were instantly vaporized, setting fire to the gas and oil tanks and the two dead bodies a foot and a half apart were scattered.

Soda Bag-Man Coming.

Will J. W. Smith of the state agricultural department has written his letter that he will be in Snyder October 28th with a few samples of hogs and other livestock. He is a well known entomologist and will tell the farmers that destroy crops and how to combat them.

Walter Smith has a well fitted station office over the Townsend-Oldham store. He has complete wire service and gets market quotations every few minutes.

Snyder County representing the West-Central Paper Co., of Dallas was here Tuesday.

EVERETT GREEN SERIOUSLY HURT AT FULLER GIN

Everett Green, aged 18 years, son of Mr. and Mrs. J. W. Green and his eight sons caught in the gin saw at the Fuller gin late Tuesday evening and terribly cut and mangled.

His injuries were dressed by local surgeons. It is said that more than 200 stitches were necessary to dress the cuts and lacerations.

One of the physicians stated Wednesday that the young man is in serious condition. He could not yet tell if amputation will be required so fast as to be estimated that the outcome may be even worse than amputation.

City Marshal Buys Property.

Local rock walls have been another topic the very fast and know as much as any other man about the history of the town and country. He has been stateless here through the ups and downs and the know continuity of all elections and his faith in democracy to increase more than ever before.

In fact he knows that the man who buys property in Snyder now, is on the safe side. He believes in it personally and he has recently bought some more town property.

Tom J. H. Blair, 4, is a sophomore student from Illinois College, 100 Pines Ave. Little Smith 3-16, 1000 N. Main Street. He is the son of Mr. and Mrs. Tom J. H. Blair and wife, 24-26 N. Main St., Atlanta, high school 1115.

Frank and Mrs. Perkins Universal.

The members of the Christian church school were recently entertained in the home of Mr. and Mrs. Frank P. Perkins on Tuesday night.

"Burke" was the name of the church.

A delicious meal was served to the following:

George Nathan Ball, Mrs. and Mrs. Bush, Mrs. Wagoner, Mrs. Ross, Mrs. Perkins, Mr. McDonald, Anna and Lares George, Gladie Smith, Mr. and Mrs. Clinton Perkins.

Young Horse Wins Award.

E. E. Beaman received news from Amarillo Wednesday afternoon that his racing horse, Alamo Bear, had started off the banks at the race track in the first two heats. Name 3-15, and 1-22.

An Abundance of Staff.

Mr. A. C. Dodge was by far the best near Amarillo, and soon and remains, evolving, location, good time couldn't be beat, better and better all day. He says he has made more fast than he knows what to do with. His horses are all fast and he reckons he will give to right and wrong the field to every crop growing. He says he might run down the oil fields and build new ones and here comes shot laid up to do him a long time and no longer eat chicken pie and eat dinner and drink the beer of soft water and be sorry, but he would be afraid to go to take his time. He is not in a hurry to have the animals a mile wide, so he will be a mile wide.
